

Detox Pathway FOR THE

YELLOW LINE PROJECT

Individual enters detox at Brown County Evaluation Center.

Brown County Evaluation Center (BCEC) compiles an updated daily list of individuals brought into detox from Blue Earth County by law enforcement.

By 8 AM on business days, the Assessment Coordinator at BCEC uses secure email to send an updated list of individuals brought into detox from BEC by law enforcement to the CBC.

CBC completes the brief Investigate Checklist to identify current social services already in place.

CBC coordinates setting up Zoom video-conferencing appointment times with the BCEC Assessment Coordinator to offer YLP screening to potential participants between 9 AM and 10 AM.

Individual is connected to CBC and CBC explains and offers YLP screening via Zoom.

Individual agrees to screening and screening is completed.

Individual refuses screening – process ends.

Individual agrees to screening but not to YLP services, provide only I & R or individual agrees to screening and care coordination and a My Yellow Line Plan is completed.
