

DETOX REFERRAL

OF THE

YELLOW LINE PROJECT

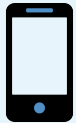

Detox Admission

Detox Intake Completed (within 24 hours of admission)

Detox Intake Worker Explains and Offers Yellow Line Project Screening (YLP to provide script)

Detox Intake Worker obtains ROI from client to Yellow Line Project (Detox ROI Form).

Detox Intake Worker notifies Yellow Line Project by calling (507) 508-4291 (YLP to provide script).

Phone is answered by Community Based Coordinator during business hours or screener after hours.

Detox Intake Worker provides basic information to Community Based Coordinator or screener:

1. Individual's name
2. Current status
3. Patient phone line number at detox

Yellow Line Project screener calls individual on detox patient phone line and completes screening.

Screener will hand off to Community Based Coordinator to review for program eligibility. Community Based Coordinator contacts law enforcement for referral approval.

Assigned Detox Staff Completes Tracking Form Provided by Yellow Line Project

Sends form to Community Based Services Supervisor by the 5th of each month.

if yes

if no

Yellow Line Project screening not completed.
